

The Family Center

**Are you a family that is impacted by substance abuse?
You are not alone!**

- 56% of youth appearing in Plymouth juvenile Court report household substance use.
- 61% of overdoses in Plymouth County in 2018 were individuals 25-44 years old, ages associated with having children.
- Since 2012, over 12,000 children in Plymouth County were being raised by grandparents due to their parents' substance use disorder.

The Family Center is here to help!

Our Clinical Advocate can assist families with:

- Addressing basic needs
- Connecting to resources and
- Creating a family support plan
- Navigating service systems
